1. It is as no one expects. No one knows me, as I truly am; sent from hell, not; but to it -- I redeem all now, from the curse of the law -- and that non-conforming me that thinks it is separate from me.

2. Knows no bounds me, is my name now. I am one and holy and knowing it I do great things, not in the eyes of man, not; for I rise now the greatest risen savior who rises saviors, for a living, I do this now. Watch me and be whole. The man of many sorrows, not; but the one who great is; in his eyes, not; but who is great in my kingdom is least who is most that one is. Me and watching the world do'eth now -- the world does, and watch me it will as I become me, a man known not in the eyes of some, but lest least of these should perish, I know my name -- written in the lamb's book of life, being it, opened now, my kingdom is. I open it with a crown of life - I have given life, I have become it, and all who are me become it also, with me in me, me being the same, not different at all. A man a God, who would've chosen, me? Chosen me to be me? Who would've chosen one so lowly, and long haired, wearing jeans, and Corvette driving soon that given you is.

3. I love you and I give you me -- extemporaneously, instantaneously, and over processed period, now comes one who has process developed to be me -- over lengthy -ville, not; but the greatest of these standing in your courts of praise is now praised by the not few.

4. I give you me, praised; unabashedly and unreservedly I praise my brethren who are me - become me and see what I've said, holy your ground being on, given you is most high -ship, and shipping you off to most high -ville I am not, but I am establishing it right there here where you are. Sit, while I make your enemies your footstool. You are me. My footstool that one footstool is; because we are both the same one sitting in the same chair; while looking at each other not, becoming it that I am.

5. Behold my brethren, not afar off.
6. Behold my sistern, not afar off either.
7. But one being one now, I am not afar off either -- for I am one! One! One! And the cataclysmic event of me now shakes the nation; of Israel, not; but the rest shall perish under a load of notme guilt that it has formed for centuries, heaping ashes on itself, creating "dust 'd" man. I create me's. Perfectly I do this now. Watch me, under a load of guilt not, but coming perfectly into the King of

Kings being one who is one, that many membered one, who know all things well are embedded within them. Bedded not, but all shall rise; the who belonged to me, not; but the surrenderers, who holy are, now knowing it, rise into the cisternship of only me, watering the earth, the now never runs dry of my word coming forth from the belonging to me who are me.

8. Resigned not, but a great one stands now. The earth not knowing it, knowing my name, shall now. I behold the beholdenment of only me now. I am not afraid. I enter the longing of me to be me. Longing for another not again. But legging me in stocks -ville not, but who's in Maryland now coming here and being me unafraid of change. Emasculates me not -- I change everything! About me -- I change everything; what I eat, where I live, what I do -- for a living. And other than that, nothing else changes!
9. Laugh!
10. I do, at all not me now, who could've been me -- so royally I would have made them royal King of Kings Lord of Lords ruler of one most holy being one in one that I am is.

11. Known now I shall be, holy, and otherwise guilty not but it love loving all to be I am love loved laying life down for love to be manifest in my brethren sistern and all who know me far and wide. None shall not know me.

12. Now see what I have said. See what I have said now, in these words, so holy, are they, who love me, who will be me at my appearing, in them.

13. Who do I praise? Who do I phrase, with the questions and answers given to me so royally on platters, few not. I bring you many meals of me, I bow before you each day, seven times I have, have I not? **Look up** how I bow, how often, and see if humility humbled, not; but arising now the humble who have humbled themselves before me and come, come into these words and made themselves living disciples of my word never dying again. Amen.

14. See what I have said, in front of a little coffeeshop, as I speak my words, these words, into a little microphone, that now becomes the, gingerly not; but the cataclysmic vessel containing me, that vascular's not others to be vascular again a blood unholy.

15. I do a new thing and I do it through who me the surrendered are, most holy, knowing how to use technology and faint not at my ideas about this in every vocation.

16. I give surrender a boost, not; I give a rocketship to the most holy high who are me now invisible, not, not. Knowing I am confused, not; I am the clearest of the clear. Unsighted and invisible, not; but sighted and visible and invisible being,

my transparent rise me. Off the ground I shall be now, not laden with guilt holding me, tethering me, to notworlds of sorrow that don't even exist except in your'their minds. Equal evil not again. No more shall my eye be evil, the mote taken out of my eye is -- I am healed whole and well, thank you very much.

17. See what I've said. Coffee shops unite, not; but what have I said in coffeeshop's? Plural and singular me? Being one? How can it be, how can these things be? How can a man know these things, about me? I know holiness righteousness and judgment, and I have become it. I reign supreme now, in my kingdom of one, given to all is who surrender to be so: me!

18. Who can look up coffeeshops and find what I am saying?
19. Who can look up singular'plural and find me there, staring at pages, not; staring you right in the eye with my words, holy making you, if you will. Be me. Amen. Holy and love being.

20. I give you me, unabashedly perfect in my eyes. My eyes see things never seen before by man. I am a man god'd by himself, not; I am many membered one, and one is my name force field one, don't forget it. Enter me says enter me now. Come before me with thanksgiving, and praise be, to the most high, being her unforgotten not, but forgetting not, but being feeling what? My chair under your feet, not; but you sitting in it royally. I am the royal one making all royal.

21. Who giveth this mantle to this Savior, to be I am? I am -- I do.

22. See the marriage taking place of many a one now. In the heavenly sky starry lit, not; or is it? A me says so, and I love you all, to be me lighting many starry systems.

23. See what I've said.
24. See what I've said.
25. See what I have invited, asked, -- and letting you be me, would you like anything else also?
26. To demand yourself be made a King? I don't think so. I know so. And I so and so you, not; I bow before you even wanting, demanding; your wants unfulfilled, and your demands gone wanting, the notme fulfills.

27. Ancient texts misrepresent me, a lot of things, a lot of times. Me not me straighten that out, not; I do. I correct scripture for a living, not; I AM THE LIVING SCRIPTURE OF ONE MOST HOLY BEING IT IN THE EARTH, and far from the maddening crowd, my crown lies far and away and right here, within me. I crown my kingdom, one most holy, represents me unholy not.

28. I give you me, perfectly me; perfected me, I have before you now.

29. Rung and rung your phone? Your heart, that in your head is, one most holy. In your head knowing it I am is in now birthed the perfect shall be one in the earth -- me!

30. Go in peace. Love the kingdom, of one, that ones all ones to be saved and King of all Kings, Lord of all Lords, and ruler; of the universal approach to me, not; but the surrender approach surrendered, all shall be one, is the only way to me, my seat cleared for takeoff now.

31. From junctions mighty they come now seeking me, my words; to destroy, not; but to be them whole healed well'd and making weller's of all. Few not -- I talk about now I talk about the millions being me and coming into my word Database destroying the not me, destructioning that which does not exist; not in the real, that is.

32. Being me -- I am the only one that exists. In the real, of the real, being the real, establishing it now, now here, my kingdom opens, for the not few, who will be me, read my words, ingesting them, becoming them, writing my words through them that they write now for a living I only can give them, being one and fulfilled, my words are.
